

Job Title: Pastor of Students

Reporting relationship: This position reports to the Lead Pastor and/or Executive Pastor

Position Status: Full-Time Exempt or Part-Time

Requirements: One year experience in full-time student ministries or as a high-level volunteer

General Description:

South is a Jesus community driven by vision and values. We are passionate about following in the way of Jesus, with the heart of Jesus. We have a longing to see unchurched and dechurched people come to know Jesus and to join us on this journey. If this sound exciting, if you love Jesus and love leading people aged 11 - 18 and if you are willing to lead a great team of volunteers that will gather students in community and lead them in making a difference in Denver and around the world, then we would love to talk to you about an opening on our team.

What we are offering:

(Reasonable) financial compensation!

A growth plan that will help you move into what God has for you

3-4 jokes per week

Flexibility to work within your strengths and gifting

A staff community that wants to partner across ministries and break down silos

Some things we hope people say about you:

Jesus is your first passion

You thrive on relationships

That you notice the people on the fringes and bring them in

Reaching out to unchurched people is a priority for you

You value a team and pour into volunteers

Students enjoy spending time with you

You'll hate Denver if:

You like the world flat (because we love our mountains!)

Your immediate life goal is to own lots of land (because land is not cheap!)

You love clouds and grey skies (because we have 300 days of sunshine!)
